

# Voxxie Application Privacy Policy

**Last Updated: February 01, 2024**

This privacy policy ("Policy") outlines the collection of personal information during the use of the Voxxie application. By using the Voxxie application, you agree to accept this agreement.

## **Collected Information:**

- Voxxie application may collect personal information such as usernames and email addresses.

## **Purposes of Use:**

- The collected information will be used to provide access to user accounts, deliver personalized content, and enhance the user experience.

## **Sharing with Third Parties:**

- User information will not be shared with third parties without the explicit consent of the user.

## **Cookies and Similar Technologies:**

- Voxxie application employs cookies to implement password storage and prevent users from entering passwords repeatedly.

## **Security:**

- User information is protected by the Google Firebase security firewall. No additional encryption methods are employed. The responsibility for any issues arising otherwise lies with the user.

## **User Rights:**

- Users have the right to delete their accounts or change their passwords at any time.

### **Privacy Policy Changes:**

- Our privacy policy may change over time. Users will be informed of changes, and their acceptance will be requested to acknowledge the modifications. Users who do not receive any notification during a change period will be considered to have accepted the alterations. Firm is not responsible for issues arising from information sharing in the chat section of the application. Please refrain from sharing your personal information unless absolutely necessary.

### **Age Restrictions:**

- Voxxie application is intended for users aged 18 and older. Our company is not responsible for any negative impact on users outside this age group.

### **Contact Information:**

- Users can email [keji\\_iletisim@outlook.com](mailto:keji_iletisim@outlook.com) with any questions. We will strive to respond as promptly as possible.

**Thank you,**
